

# FREEDOM SPONSORS

## Business can turn the tide against human trafficking

The Freedom Sponsor campaign is an initiative of the [AFRJ® Freedom Council](#). The Freedom Council is an assembly of business leaders and global companies working to end human trafficking - together. The council's mission is to catalyze business engagement - alongside government, nonprofit, and community efforts - in ways that will impact millions of lives. We are proud to offer annual sponsorship opportunities where you are able to support and participate in Freedom Council initiatives throughout the year. Meaningful contributions can be made at both the corporate or individual level. Join us - and help turn the tide against human trafficking.
