---

This Directory is a supplemental resource to Engage Together® Project for North Texas.

It includes a list of all researched organizations, their missions, websites, and primary service areas.

Engage Together Project for North Texas is made possible by a grant from the Adair Foundation, and is accomplished in collaboration with many partners, including especially the task force and coalition leadership working across North Texas: 5 Stones Task Force, C7 Human Trafficking Coalition, and the North Texas Coalition Against Human Trafficking. Additional local support and leadership for this project include Southern Methodist University's Office of Engaged Learning & SMU's Human Trafficking Data Research Project, Unbound Now, and The Net FW. National partners include Belmont University's Data Collaborative, Pomerol Partners and Qlik. Special thanks also to the National Human Trafficking Hotline and Dark Watch.

Learn more about each of these partners by going to the Project website at [engagetgether.com/dfw](https://engagetgether.com/dfw).

Our guiding verse as a church is from Colossians 1:28: "Him we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ."
