

DIRECTORY

This Directory is a supplemental resource to Engage Together® Project for South Florida.

It includes a list of all researched organizations, their missions, websites, and primary service areas.

Engage Together Project for SFL is made possible by a grant from a local family foundation, and is accomplished in collaboration with many partners, including especially the task force and coalition leadership working across South Florida: Broward Human Trafficking Coalition, Broward Human Trafficking Task Force/FBI Human Trafficking Task Force, Intercept Task Force of Southwest Florida, Miami-Dade Human Trafficking Coalition, and Southwest Florida Coalition Against Human Trafficking. Additional local support and leadership for this project include the University of South Florida BRIGHT Project, St. Thomas University Human Trafficking Academy, United Abolitionists, Quest 2 Freedom, and SheMeHer. National partners include Belmont University's Data Collaborative, Pomerol Partners and Qlik. Special thanks also to the National Human Trafficking Hotline and Dark Watch

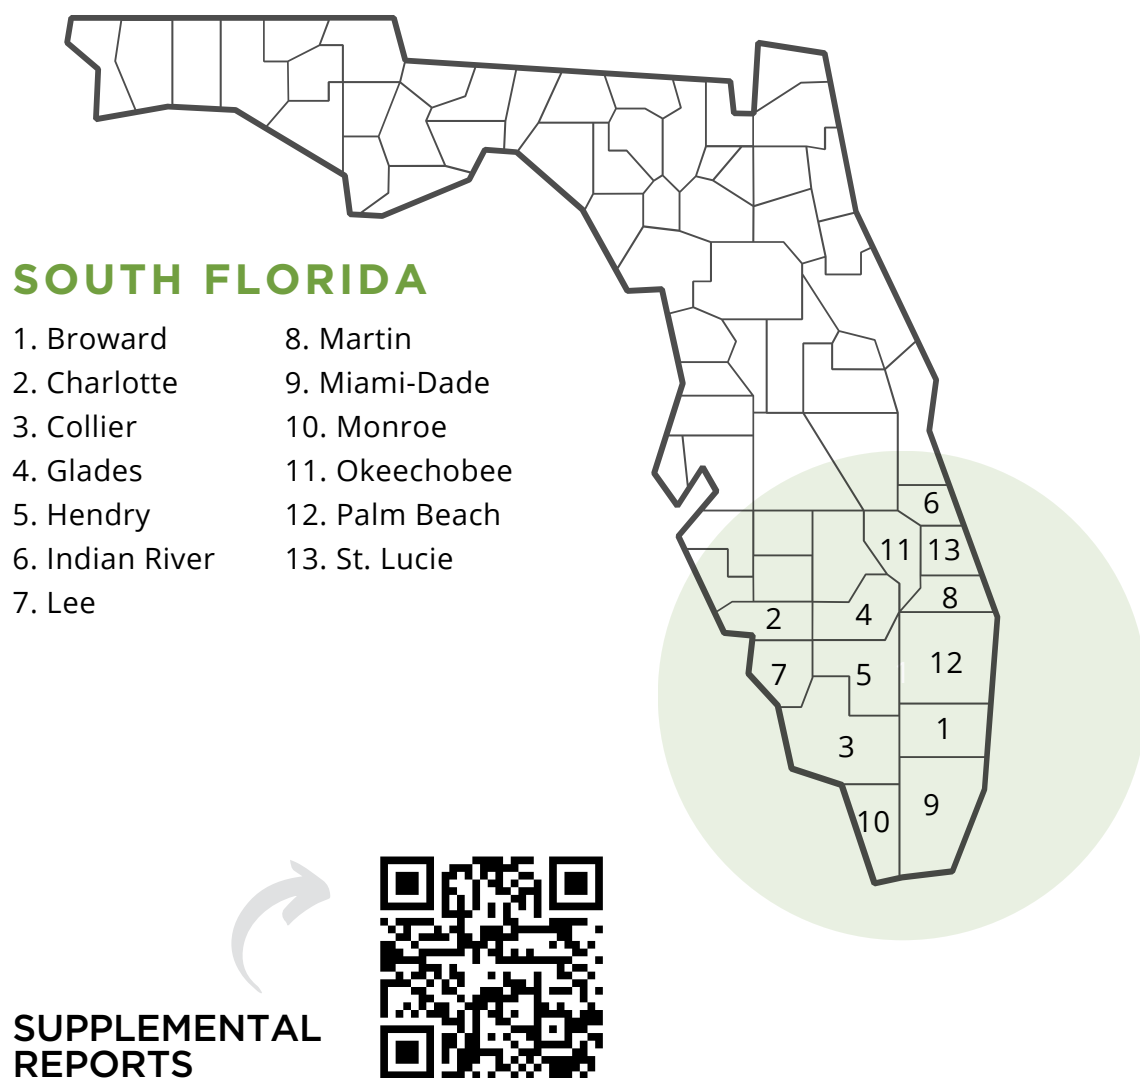

Learn more about each of these partners by going to the Project website at engagetgether.com/sfl.

BROUGHT TO YOU BY

This Directory is supplemental to the Engage Together project reports for 13 counties across South Florida, and is based on open-source and shared data gathered in 2024-2025.

This Directory is arranged alphabetically and includes all 955 organizations working across SFL to directly address human trafficking plus those working to support at-risk populations.

Review this Directory alongside the South Florida Community Assessment and County-Level reports for a clearer picture of which organizations serve your area, and the current strengths, gaps, needs, and opportunities to end and prevent human trafficking in your local community.
